

# \$0 Preventive Medication List

The \$0 Preventive Medication List is made up of drugs that can be considered “first-line” to prevent the onset of a disease or medical condition(s) and can maintain health and well-being.

**To make this list easier to use:**

- Medications are grouped by condition
- Medications are listed alphabetically within their condition group
- Review your formulary to confirm the strength and formulation of the medication you take is covered at no cost share (\$0).

- Acebutolol HCL
- Amiloride-HCTZ
- Amlodipine Besylate
- Amlodipine Besylate-Benazepril
- Atenolol
- Atenolol-Chlorthalidone
- Benazepril HCL
- Benazepril-HCTZ
- Bisoprolol Fumarate
- Bisoprolol-HCTZ
- Bumetanide
- Captopril
- Chlorthalidone
- Clonidine HCL
- Diltiazem ER (CD)
- Diltiazem HCL
- Enalapril Maleate
- Enalapril-HCTZ
- Felodipine ER
- Fosinopril Sodium
- Fosinopril-HCTZ
- Furosemide
- Guanfacine HCL
- Hydrochlorothiazide
- Indapamide
- Irbesartan
- Irbesartan-HCTZ
- Isradipine
- Labetalol HCL
- Lisinopril

- Lisinopril-HCTZ
- Losartan Potassium
- Losartan-HCTZ
- Metolazone
- Metoprolol Tartrate
- Metoprolol-HCTZ
- Moexipril HCL
- Nadolol
- Niacardipine HCL
- Nifedipine ER
- Olmesartan
- Pindolol
- Propranolol HCL
- Propranolol-HCTZ
- Quinapril HCL
- Spironolactone
- Spironolactone-HCTZ
- Torsemide
- Trandolapril
- Triamterene-HCTZ
- Valsartan-HCTZ
- Verapamil ER
- Verapamil ER PM
- Verapamil HCL

**Blood Clot Prevention**

- Clopidogrel
- Jantoven
- Warfarin

**Bone Health**

- Alendronate
- Ibandronate

**Mental Health**

- Bupropion
- Carbamazepine
- Citalopram
- Escitalopram
- Fluoxetine
- Imipramine
- Lithium Carbonate
- Nortriptyline
- Olanzapine
- Paroxetine
- Quetiapine
- Risperidone
- Sertraline
- Venlafaxine

**Diabetes**

- Glimepiride
- Glipizide
- Glipizide XL
- Glipizide-Metformin
- Glyburide
- Glyburide-Metformin
- Metformin
- Metformin ER
- Pioglitazone

**Cholesterol**

- Atorvastatin
- Lovastatin
- Pravastatin
- Rosuvastatin
- Simvastatin

This list only applies to large group employers who have chosen to cover these drugs as an additional benefit. It does not include preventive medications that are covered at no cost share (\$0) to you under the Patient Protection and Affordable Care Act (ACA) preventive services coverage requirement. This list is subject to change without prior notice.
