Robust coverage plans

Option Advantage Plus

Save more on services that members use most. This plan waives the deductible for specialist office visits, urgent care, and allergy shots. X-rays and labs are covered in full for the first \$500.

Option Advantage Premium

Even better, the deductible is waived for many more commonly needed services including: ER, routine immunizations, lab and X-ray, imaging services (PET, CT, MRI) and more.

Personal Option

Like Option Advantage Premium, it leverages coverage to in-network providers only, utilizing our Signature network. Many services are not subject to the deductible.

HSA Qualified Plans

Our HSA Qualified plans – both embedded and non-embedded – offer affordable coverage. Within this plan, pharmacy-embedded benefits include a core preventive formulary providing coverage for most-needed medications before the deductible is met.

Connect Plan

This plan, offered only in Oregon, features lower costs thanks to integrated delivery, with non-Providence Primary Care Physicians (PCP) and specialists working together. It also links to select non-Providence clinics in the Portland metropolitan area.**

Choice Plan

Choice plans provide integrated care from the team at a medical home clinic. Similar to the Connect plan,* the Choice plan leverages integrated care from the clinic, and it's statewide.**
