

Hello from your Providence Health Coaching team

Welcome to Providence Health Plan! It's nice to meet you.

Ensuring the well-being of the community means everything - to all of us. Your Health Coaching team is here to help you accomplish your goals and build a relationship grounded in trust and support. We're excited to introduce you to your **Health Coaching Manager, Chelsea.**

Hi there, I'm

Chelsea Warren

Health Coaching Manager,
RDN, NBC-HWC

I've been with Providence since: September 2014

My health coaching philosophy: Wellness is an integration of physical, mental, and spiritual well-being and is not about just striving for better health but living more fully. Coaching is a collaborative process that supports self-discovery, active learning, effective goal setting, and accountability.

My education/background: I have a Bachelor of Science in Nutrition Sciences, I am a Registered Dietitian, and a Board-Certified Health and Wellness Coach.

I love my job, but here's a bit more about me.

If it's the weekend: You will find me training for my next marathon, visiting farmer's markets, or taking hikes with my two boys.

Fun fact about me: My favorite game to play is Yahtzee.

Thank you for the opportunity to partner with you. I look forward to getting to know you better and supporting your goals - because everyone's well-being matters.

Chelsea Warren
