

# Hello from your Providence Health Coaching team

## Welcome to Providence Health Plan! It's nice to meet you.

Ensuring the well-being of the community means everything - to all of us. Your Health Coaching team is here to help you accomplish your goals and build a relationship grounded in trust and support. We're excited to introduce you to your professional **Health Coach, Meagen**.

Hi there, I'm

**Meagen  
Kassner**  
Health Coach

**I've been with Providence since:** January 2015

**My health coaching philosophy:** I believe that every client is naturally creative, resourceful, and whole. It's my job to discover, clarify and align with what my clients want to achieve, encourage self-discovery, elicit client-generated solutions and strategies, and hold clients responsible and accountable.

**My education/background:** Master's Degree in Counseling, Master's Degree in Business. I have been a Health Coach since 2007 and am a National Board-Certified Health Coach.

**I love my job, but here's a bit more about me.**

**If it's the weekend:** I'm riding my bike or running, then I'm reading a book or binging a TV show.

**Fun fact about me:** I'm a sci-fi fan.

Thank you for the opportunity to partner with you. I look forward to getting to know you better and supporting your goals - because everyone's well-being matters.
